

PRIVACY POLICY

Last Updated: 9/26/2024

This privacy Policy (“Policy”) explains the information collection, use, and sharing practices of Heartland Electric, LLC.

Heartland Electric LLC “DOES NOT” share customer information with any parties whatsoever. Any information received is for the use of our office for conducting business with it’s customers only. We will never sell or share your information for any purpose.

Unless otherwise stated, the Policy describes and governs the information collection, use, and sharing practices of Heartland Electric, LLC with respect to your use of our website (www.heartlandelectric.biz) and services (“Services”) we provide and/or host on our servers.

If you do not agree to this privacy policy, please do not use our Services.

Our Principles

Heartland Electric, LLC has designed this policy to be consistent with the following principles:

- Privacy policies should be human readable and easy to find
- Data collection, storage, and processing should never be shared or sold without the consent of the person providing the information.
- Data practices should always meet the expectations of the person sharing the information.

We Do Not Collect Information for Use Outside of Performance of Work

We only collect information when you provide information directly to us for interoffice use only. We do not collect information from third parties, unless we are working with another contractor who already has your information and is providing it to us to work as a sub-contractor for your electrical work.

Information We Share

We do not share your personal information with outside parties.

Sincerely,

Will Hancock, President
